

ATHARVA ENTERPRISES

Electrical Contracting & Engineering Services

A Legacy of Electrical Excellence, Built Over Five Decades

Atharva Enterprises stands as a premier Government Licensed Electrical Contractor and Engineering firm, built upon a rich legacy established in 1970 by our parent company, Jitendra Electricals. With over five decades of unwavering commitment to quality, we have consistently spearheaded the electrification of commercial, industrial, MSEDCL, and residential, sectors across Western India and beyond. We combine generations of engineering expertise with modern compliance standards to deliver safe, reliable, and efficient power solutions.

**50+ Years of
Expertise**

Our Comprehensive Suite of Electrical Engineering Services

**Transmission &
Distribution Infrastructure**

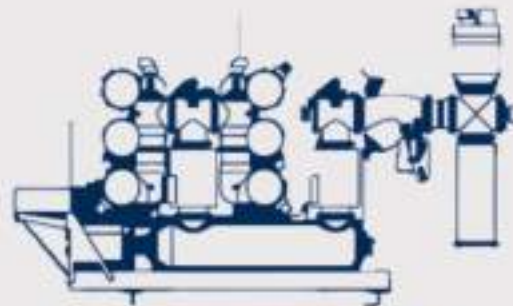

**Substation Engineering
And Erection**

**Industrial & Commercial
Solutions**

**Battery Energy
Storage System**

**Gas Insulated
Substation**

**Clean & Renewable
Energy Solution**

Public Infrastructure & MSEDCL

We are regularly engaged by the Maharashtra State Electricity Distribution Co. Ltd. (MSEDCL) and other entities for large-scale infrastructure projects, a testament to our capabilities and reliability.

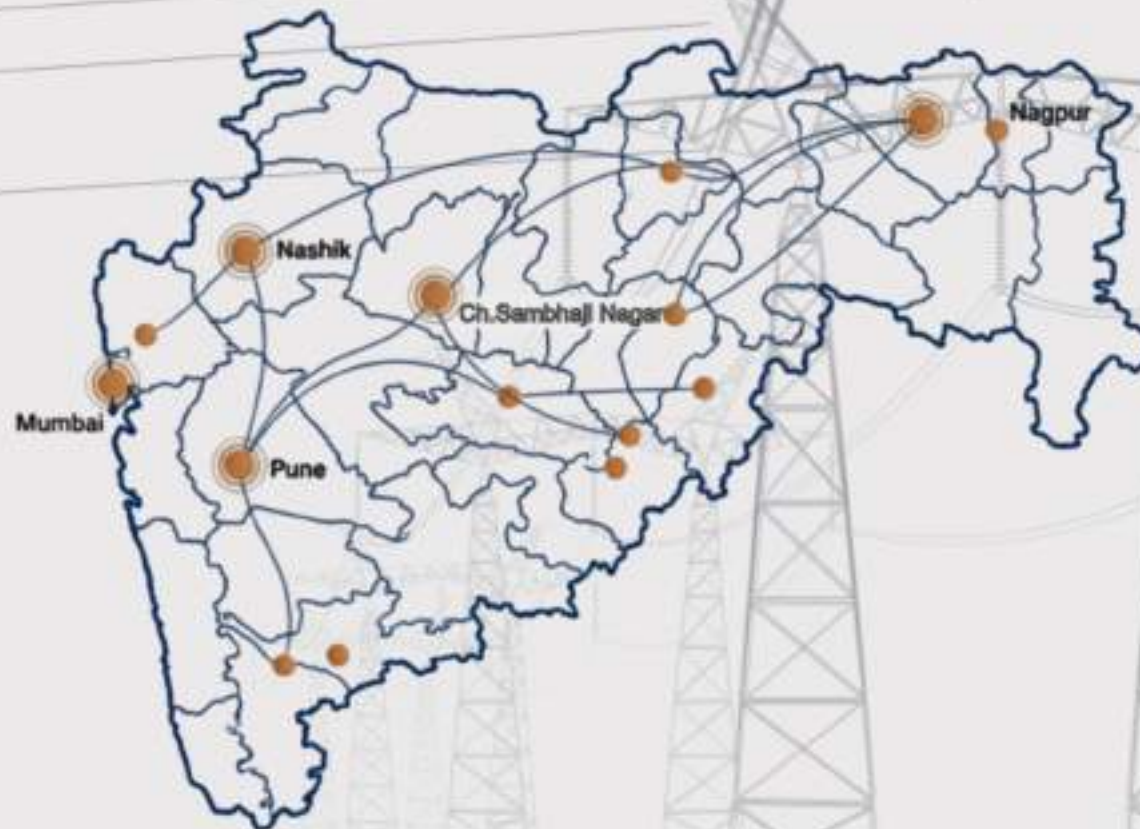

Scope of Work Done For At Various Locations

Erection Of 33 KV & 11 / 440 KVA Transmission Lines

Erection Of 33 / 11kv And 33 KV Bays In Substations

Erection Of 33 / 11 KV Distribution Lines

Complex Pole Shifting Projects

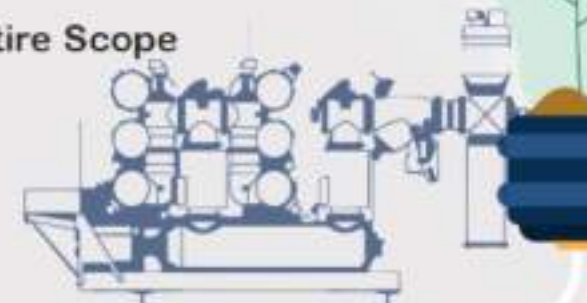

Gas Insulated Substation (GIS)

Scope of Work Done Up To 132KVA & 220KVA For

- Engineering & Design Of Substations
- Supply Of Electrical Equipments Inclusive Of
 - Power / Distribution Transformer
 - HV Gas Insulated Switchgear From Reputed Mfg
 - Outdoor Circuit Breakers
 - Disconnectors
 - Switchyard Structures
 - Conductors
 - Current / Potential Transformers
 - Power/control Cables
 - Earthing Materials
 - Control & Protection Panels
 - Substation SCADA
 - ACDB / DCDB
- Installation Of Above Equipments
- Testing & Commissioning Of The Entire Scope

A Trusted Partner for Leading the Transition to a Sustainable Future With Clean & Renewable Energy Solution

We Are Actively Shaping The Future Of Energy By Providing Supply And Installation Services For Utility-scale Solar Parks.

Battery Energy Storage System

Functions & Benefits

Grid Stabilization:

Quickly Responds To Fluctuations, Providing Frequency And Voltage Regulation.

Renewable Integration:

Stores Excess Energy From Solar/wind, Releasing It When Needed.

Peak Shaving:

Reduces Strain And Costs By Discharging During Peak Demand Hours.

Resilience:

Offers Backup Power For Outages And Supports Micro Grids.

Efficiency:

Improves Overall Grid Management And Energy Usage.

EV Charging Station & System

State-of-the-Art Hardware

Durable, high-performance charging stations engineered for commercial and residential deployments with fast, reliable charging speeds.

OCPP/OCPI Compliant

Open, vendor-agnostic platform with full OCPP 2.0.1 and OCPI 2.2.1 compliance for seamless integration and multi-network roaming.

Real-Time Analytics

Advanced monitoring and analytics for optimized energy usage, system performance, and data-driven decision making.

Enterprise Security

Bank-grade security protocols, encrypted transactions, and comprehensive compliance with industry standards.

Mobile App & Dashboard

Intuitive mobile app for drivers and comprehensive web dashboard for hosts to manage chargers and track performance.

Smart Locator

Find available chargers across the entire Joulepoint network with real-time availability and navigation support.

Powering Industrial Projects

We Have A Long Track Record Of Executing Critical Electrical Infrastructure Projects
For A Diverse Range Of Industrial Clients.

Client: Ashoka Infrastructure

Project: Complete Electrification Of A Ready Mix Concrete Plant With Pole Mounted Substation & Pole Shifting And Toll Plaza For Express Ways And Highways At Various Location In Maharashtra.

Client: Bharat Electronic Limited

Project: Complete Electrification Of Their Facility At Taloja, Navi Mumbai.

Client: Indian Oil Corporation

Project: Electrification Projects For IOCL Facilities. Load Extension, Liasoning Work, DP Structures For CNG Pumps Expansion.

Client: Sangle Agro Exportes

Project: Electrification Of Agro Export And Cold Storage Facilities In Niphad, Nashik.

Client: Om Gayatri Framers Producer Company Ltd.

Project: Electrification Of Agro Export And Cold Storage Facilities In Niphad, Nashik.

Client: Hero Motors (Arush Hero)

Project: Electrification Of Showroom and Service Facilities, Ashok Nagar, MP.

Client: Mahindra Tractors (B C Jain Group)

Project: Electrification Of Showroom and Service Facilities, Ashok Nagar, MP.

Client: Bhavna Trading Co. (I) Ltd. (B C Jain Group)

Project: Electrification Of Food Processing Unit, Ashok Nagar, MP.

Electrifying Commercial Landmarks

Our Experience Extends Across The Commercial Spectrum, Delivering Reliable Electrical Solutions For Developers, Hospitality Groups, And Critical Service Providers.

Hospitality

Hotel Enrise by Sayaji, Nashik.
Energise Resort and Boutique, Trimbakeshwar.
Prabhav Manas, Igatpuri, Nashik.
The Blue Lake Resort, Igatpuri, Nashik

Banking & Finance

State Bank of India
Samarth Sahkari Bank, Nashik.

Healthcare

Samarth Diagnostics.
Patni Hospital.

Institutional

Vidyavardhan's IDEA - Ins. of Desg. Env, and Arc.
St. Lawrence High School and Junior College.

10000+
PROJECTS
COMPLETED

Powering Real Estate Projects

We Have A Prolong Track Record Of Executing Critical Electrical Infrastructure Projects
For A Diverse Range Of Real Estate Clients.

Some Of Our Clients

Nisham Developers.

Janaki Group.

Aarohi Infra.

Charwak Construction.

Akshada Buildcon.

Swagat Developers.

Balaji Developers.

Kartik Buildcon.

Laxmi Builders And Developers.

Prabhav Construction Mumbai.

New Stop Venture (Fog City, Igatpuri).

Riddhi Siddhi Builders And Developers.

Archit Group Build. & Deve., Nashik.

Rohan Enterprises, Nashik.

Aakar Buildcon, Nashik.

Grandeur Realtors, Nashik.

Niraj Builders & Developers, Nashik.

Avani Builders & Developers, Nashik.

Nirmitee Constructions, Nashik.

Nilkanta Developers.

Relieble Constructions, Nashik.

Thakkar Builders, Mumbai.

Pacific Housing Corporation, Nashik.

Rajput Constructions, Nashik.

MEP Contractors & Architects

Successful Projects Are Built On Strong Partnerships. We Are Proud To Have Collaborated With Some Of The Most Respected Architects, Planners, And Builders In The Industry.

Featured Partners

Ar. Sanjay Pabari & Associates,
Nashik.

Ar. Rajiv Vishwasrao
Architect & Planner, Pune.

Ar. Nitin Pathak & Associates
(PMC), Nashik.

Safety Come First

We strictly adhere to industry safety standards and health policies.

We provide periodic technical training to ensure our team remains up-to-date with the latest safety and work protocols.

Our Defining Commitment: On-Time Completion, Every Time.

All the above work has been completed in scheduled time which is one of the feathers in our cap.

This commitment to deadlines is consistently certified by our esteemed consultants and the Electrical Inspectorate, ensuring every project meets the highest standards of professionalism and punctuality.

Streamlining Your Project With End-to-End Licensing and Compliance

Beyond execution, we provide critical support in navigating the regulatory landscape.

We undertake all necessary licensing procedures with the Electrical Inspectorate and the **MSEDCL** on behalf of our clients. This ensures a smooth, compliant, and hassle-free project life cycle from start to finish.

Entrust Your Most Complex Projects to Atharva Enterprises.

We Look Forward To The Opportunity To Work With Your Esteemed Organization
And Bring Our Five Decades Of Expertise To Your Most Ambitious Projects.
